Call for Manuscripts

Food Security and Food Technology Division (FSFTD) in the Ministry of Agriculture and Livestock Development announces interested author(s) to submit relevant manuscripts for publication in forthcoming issue (vol.20) of the *Journal of Agriculture and Environment*. The author(s) should base the manuscript on issues of climate change/food security/agricultural biodiversity/gender and social inclusion. The author(s) should firmly follow the journal agreed guidelines and submit it electronically at fsftdjournal@gmail.com before 15 of Magh 2075 (January 29, 2019).

Guidelines for the author(s):

The *Journal of Agriculture and Environment* is devoted to the cause of advancing understanding on the Environmental aspects of Agriculture through literature review, theoretical analysis, research and practical experiences. Besides research and review papers, the journal may arrange spaces for case study, methodological approach, book review, report on seminar and meeting, short communication and letter to editor. Authors are requested to follow the following guidelines on preparation and submission of manuscript.

1. The manuscript must be an original work written in English and not published elsewhere.
2. The title should be short and specific, but it should reflect the contents in the manuscript.
3. The abstract should be in italics 9-point font size, not exceeding 150 words, should concisely state major objective, methodology, findings and conclusion. It should not include diagram, footnote, equation or any parenthetical reference.
4. Key-words in alphabetical order should not exceed ten standard words.
5. Main text of the technical manuscripts should include introduction, objective, theoretical framework, methodology, results and discussions, conclusions and references.
6. The manuscript should not exceed 4500 words in total. It should be in MS-word with pages set on A4 size, the top and left margins at 3cm and the right and bottom margins at 2.5cm. The text format should be on Trebuchet MS font of, unless otherwise specified, 10-point size.
 - a. The title of the manuscript set as HEADING 1 (paragraph style) should be all capitalized in bold 11-point font size.
 - b. Name of the author(s) should follow the title in new paragraph in normal 9-point font size. Other details of every author's identification such as working organization, contact addresses including telephone, and e-mail should go in the foot notes. The foot notes should be in 8-point font size and marked in Arabic successively.
 - c. The first level headings should be all capitalized and bold. The second level headings should be all capitalized and normal. The third level headings should be in sentence case, italicized and normal.
 - d. In tables, borders should be minimized, and text and numbers should be in 9-point font size.
 - e. Bibliographic entries in the reference should be in 9-point font size.
7. Number of footnotes should be minimized, and it should not come for citation.
8. Many/big tables and figures in the text should be avoided. Supplementary figures and tables may be placed in the annexure.
9. References should be given in alphabetical order by author's name, and the styles should differentiate the references such as books, journals, newspapers and other unpublished materials. The material not cited in the main text must not come under reference. Private communication, radio listening and TV watch should not appear in the citation as well as in the reference.
